Subject: Grievance Regarding Inadequate Garbage Collection during Festivals

Respected Sir/Madam,

I am writing on behalf of the residents of [your locality/area name] to draw your attention to a matter of urgent concern regarding garbage collection in our neighborhood, especially during festive periods.

During recent festivals, we have observed a significant increase in the accumulation of waste due to celebrations and community gatherings. Unfortunately, the current waste management schedule has proven to be insufficient to handle the increased volume. This has resulted in frequent overflow of garbage bins, littering of public spaces, unpleasant odours, and the possible risk of health hazards.

We request the municipality to kindly address this issue by:

- Increasing the frequency of garbage collection during festivals and other peak periods.
- Deploying additional waste collection staff and resources in our area to handle excess waste efficiently.
- Ensuring proper monitoring and maintenance of garbage bins to prevent overflow and spillage.

Timely and efficient garbage collection not only ensures the cleanliness and hygiene of our locality but also protects the health of residents and enhances overall community well-being. We sincerely hope that the municipality will take the necessary steps to resolve this issue as soon as possible.

We appreciate your attention and prompt action on this matter.

Yours faithfully,
