Subject: Apology for Late Submission of Assignment Due to Internet Issues

Dear [Instructor's Name],

I am writing to sincerely apologize for the late submission of my assignment for [Assignment Title/Number] in [Course Name]. Unfortunately, I encountered unexpected internet connectivity issues at my residence, which prevented me from submitting my work before the deadline.

I made several attempts to resolve the problem and explored alternative solutions to no avail. Although I always strive to submit all assignments on time, this unforeseen technical issue was outside my control, and I regret any inconvenience caused as a result.

I assure you of my commitment to punctuality and responsibility in the future. I have since taken steps to ensure that such an issue does not recur. I kindly request your understanding and consideration regarding the delayed submission, and I hope you will accept my assignment despite its late arrival.

Thank you for your understanding. Please let me know if any further actions are required from my side.

Yours sincerely,
