Subject: Request for Refund of Defective Product

Dear Sir/Madam,

I am writing to express my dissatisfaction with the **[Product Name and Model]** (Order Number: **[Order Number]**), which I purchased from your company on **[Purchase Date]**. Unfortunately, upon receipt and use of the item, I discovered it to be defective due to the following issues:

- [Describe the defect or malfunction, e.g., "The device does not turn on despite charging," "There is a visible crack in the screen," etc.]
- [Mention any attempts made to resolve the issue, if applicable, e.g., "I have followed the troubleshooting steps provided in the manual without success."]

This defect has rendered the product unusable and fails to meet the quality standards promised by your company. As stipulated under consumer protection laws, I am entitled to receive goods that are of satisfactory quality, fit for purpose, and as described.

I kindly request a full refund for the defective item. Please advise on the return process, and inform me when I can expect to receive the reimbursement.

Attached are copies of my purchase receipt, product photos, and any other relevant documentation to expedite the process.

I look forward to your prompt response and a resolution to this matter. Please contact me at **[Your Email or Phone Number]** should you require further information.

Thank you for your attention to this issue.

Yours faithfully,
