

Sample Informal Letter to a Teacher

Dear Mr. Anderson,

I hope this letter finds you well! It's been a while since I last saw you at school, and I often think about your English classes with fond memories.

I wanted to take a moment to thank you for all the guidance and encouragement you gave me during my time at Southview High. Your passion for literature not only made the classes enjoyable but also inspired me to read more and express myself with confidence.

I'm happy to share that I've started my first year at university, majoring in Communications. The essay-writing tips you shared have been incredibly helpful already! Life here is exciting and busy, and I've even joined the college magazine as a contributor, something I probably wouldn't have tried without your positive influence.

I hope everything is going well with you and the new batch of students. Thank you again for being such a wonderful teacher. I really appreciate all your support and hope to visit the school and catch up in person soon.

Warm regards,

Emily Chen
