

Dear Aunt Maria,

I hope you're doing well! I just wanted to write you a quick note to say a huge **thank you** for the beautiful sweater you sent me for my birthday. I absolutely love the color and how cozy it is-it's already become my new favorite!

Your thoughtful gift made my birthday even more special. It means so much to me that you remembered and picked out something you knew I'd love. I wore it yesterday when I went out with friends, and everyone complimented it!

Thank you again for your kindness and for always making me feel loved. I really hope we can get together soon-it's been too long since we last saw each other. Sending you lots of love and hugs until then!

With love,
Emily
