

Dear [Teacher's First Name],

I just wanted to take a moment to say thank you for everything you've done for me lately. I know it hasn't been easy, but your support and understanding have meant the world to me. During those tough times, you always seemed to know exactly what to say to help me feel a little better and keep going, even when things felt overwhelming.

I really appreciate your patience and how you never gave up on me, even when I was struggling. Your encouragement made such a big difference, and I honestly don't think I could have gotten through it all without your help. You go way beyond just being a teacher-you really care, and it shows.

Thank you so much for being there and for believing in me. I feel so lucky to have had you as my teacher.

With lots of gratitude,  
[Your First Name]
