Dear [Hiring Manager's Name],

I am writing to express my interest in the Registered Nurse position at [Hospital/Clinic Name] as advertised on [where you found the job listing]. With over [X] years of clinical nursing experience and a deep commitment to delivering compassionate, patient-centered care, I am confident in my ability to contribute effectively to your healthcare team.

In my previous role at [Previous Employer], I gained substantial hands-on experience across diverse clinical settings, including medical-surgical, emergency, and intensive care units. My responsibilities ranged from conducting detailed patient assessments and administering medications to developing care plans and responding promptly to emergency situations. One of my strengths is my ability to remain calm and focused while handling multiple priorities in fast-paced environments.

I am adept at collaborating with multidisciplinary teams of physicians, therapists, and fellow nurses to coordinate patient care and improve health outcomes. My strong communication skills have enabled me to build trusting relationships with patients and their families, providing education and support during challenging times.

I am licensed as a Registered Nurse in [State], and I have maintained certifications in Basic Life Support (BLS) and Advanced Cardiac Life Support (ACLS). I am passionate about ongoing learning and have recently completed additional coursework in wound care and patient safety.

I would appreciate the opportunity to discuss how my clinical experience, skills, and commitment to high-quality nursing care can benefit [Hospital/Clinic Name]. Thank you for considering my application. I look forward to the opportunity to contribute to your team and positively impact patient care.

Sincerely,

[Your Name]
