Dear Hiring Manager,

I am writing to express my interest in the retail associate position advertised on your website. While I do not have direct experience in retail, I am eager to bring my strong communication skills, positive attitude, and enthusiasm for helping others to your team at [Retail Store Name].

Throughout my academic career and volunteer experiences, I have consistently demonstrated a strong work ethic, adaptability, and a willingness to learn new things. For example, as a volunteer at my local community center, I collaborated with team members to organize events, communicated effectively with participants, and quickly adapted to new responsibilities as needed.

I am highly motivated to contribute to a positive customer experience and I am confident that my interpersonal skills and ability to work as part of a team will allow me to excel in a retail environment. I am eager to learn about your products and services and am committed to providing excellent service to every customer.

Thank you for considering my application. I look forward to the opportunity to discuss how my transferable skills and strong work ethic can benefit your team. Please find my resume attached for your review.

Sincerely,
