Dear [Teacher's/Instructor's Name],

I am writing to sincerely apologize for the late submission of my homework for [Subject/Class Name] that was due on [Due Date]. Unfortunately, I experienced unforeseen internet connectivity issues at home, which prevented me from submitting my work on time.

I understand the importance of adhering to deadlines, and I take full accountability for not being able to complete the submission as scheduled. As soon as I encountered the technical difficulties, I made every effort to resolve the issue and sought alternative methods to send my homework, but was unable to do so until my connection was restored.

I assure you that I remained committed to maintaining the quality of my work throughout this process and have now submitted the assignment as soon as I was able. Moving forward, I will take additional precautions to ensure that such issues do not affect my responsibilities again.

I kindly request your understanding and consideration regarding this late submission. Thank you for your patience and for giving me the opportunity to explain my situation. I greatly appreciate your continued support and guidance.

Sincerely,
[Your Name]
