

# Informal Birthday Letter Sample to Cousin for 18th Birthday

Hey [Cousin's Name],

Happy 18th Birthday! 🎉 Wow, can you believe you're officially an adult now? (Don't worry-turning 18 doesn't mean you really have to act like one yet!) It feels like just yesterday we were causing mischief at family gatherings, sneaking extra pieces of cake and laughing way too loud. Those were the days!

I just wanted to let you know how much you mean to me. You're not just my cousin, but my partner-in-crime, secret-keeper, and the sibling I got to choose. Growing up with you has given me some of my favorite memories-from our epic summer adventures to late-night talks about everything and nothing.

As you step into this exciting chapter, I know you're going to do amazing things! Life might throw you a curveball or two, but I have no doubt you'll knock it out of the park. Keep being your awesome, hilarious, and kind self. And remember, I'm always here for you-whether you need advice, a pep talk, or someone to eat all the snacks with.

Here's to your journey ahead-may it be filled with laughter, adventures, and the occasional crazy story we'll both laugh about later. Wishing you all the happiness and success in the world, today and always.

Enjoy your big day! Make sure you do something fun (and eat a ridiculous amount of cake for me).

**Happy 18th, superstar!**

With all my love,

**[Your Name]**
