

Hey [Friend's Name],

Happy Birthday! 🎉 – Even though we're miles apart, I want you to know that I'm thinking of you today and wishing you the happiest birthday ever.

It's crazy to think about all the fun times we've had-remember that epic road trip and those endless late-night chats? I miss those moments, and I miss you! I hope you're celebrating with lots of cake, laughter, and all your favorite people (though I wish I could be there too).

You deserve nothing but the best today and always. May this year bring you amazing adventures, success in everything you do, and happiness that never ends. I'm so grateful for our friendship, and distance will never change that!

Let's catch up soon-I want to hear all about your birthday shenanigans. Until then, eat an extra slice of cake for me!

Sending you virtual hugs and all my love,

[Your Name]
