Dear Professor [Last Name],

I am writing to express my interest in the Undergraduate Research Assistant position in your laboratory, as advertised on [where you found the posting or heard about the opportunity]. I am currently a [Year, e.g., sophomore] majoring in [Your Major] at [University Name], and I am eager to gain hands-on research experience in [brief mention of relevant field or topic].

Through my coursework in [relevant courses], I have developed a strong foundational understanding of [related subjects]. I am particularly fascinated by your research on [briefly describe professor's research or project if known], and I am highly motivated to contribute to your ongoing work. My experience in [mention any prior lab experiences, relevant internships, or projects] has equipped me with essential skills in [list relevant skills, e.g., data analysis, laboratory techniques, literature review], as well as a keen attention to detail and ability to collaborate effectively in team settings.

I am enthusiastic about the opportunity to develop my technical and analytical skills under your mentorship. I am a quick learner, highly organized, and committed to contributing positively to your research group. I am available to begin as soon as needed and am flexible with my hours to accommodate the needs of your lab.

Thank you for considering my application. I have attached my resume for your review, and I would be delighted to discuss my qualifications further in an interview. I look forward to the possibility of working with you and contributing to your research endeavors.

Sincerely,  
[Your Name]
