

Hey [Friend's Name],

I just wanted to take a moment to say **thank you so much** for all the help you gave me with my history project. Honestly, I couldn't have done it without your guidance!

Your advice about organizing my research and focusing on the main events really made the whole process so much easier. I really appreciated the articles you suggested and the way you explained things when I got confused. You have a knack for making history so much more interesting-and way less overwhelming!

I also want to thank you for being patient with all my questions, and for encouraging me whenever I felt stuck. The time and effort you spent helping me went a long way, and your support made a big difference in the end result.

I'm lucky to have such a thoughtful and helpful friend. Next time you have a project, I'm definitely here if you need anything!

Thanks again for everything,

[Your Name]
