Subject: Complaint Regarding Uncollected Garbage in [Residential Area Name]

Dear Sir/Madam,

I am writing to bring to your attention the issue of uncollected garbage in our residential area, [Name/Address of the area or street]. The garbage has not been collected for the past [number of days/weeks], resulting in unsightly piles of waste on the streets and sidewalks.

This situation is causing serious health hazards, including foul odors and an increase in pests such as rodents and insects. It is also detrimental to the general cleanliness and environment of our community. Despite previous requests and complaints made by residents (if applicable, mention previous complaints), no action has been taken so far.

We kindly request the municipality to arrange for immediate collection of the accumulated garbage and to ensure regular waste disposal in the future. Prompt action will not only help maintain a clean and healthy environment but also demonstrate the municipality's commitment to the well-being of its residents.

Please keep me informed on the steps being taken to resolve this issue. I am available at the contact details provided above should you require further information.

Thank you for your attention to this urgent matter.

Yours faithfully,
[Your Name]
