

Hey **[Cousin's Name]**!

I hope this letter finds you doing great and settling in well abroad. It's been way too long since we last hung out, and I really miss our crazy conversations and all the fun we always have together!

Guess what? My birthday is coming up soon, and I can't imagine celebrating it without you. We're having a little get-together with family and friends on **[Date]** at **[Time]** at our place back home (**[Address/Location]**). I'm really hoping you'll be able to make it back for the big day!

It would mean so much to me to celebrate this birthday with you, catch up on everything, make some new memories, and have a blast just like old times. No pressure at all if you can't make it, but I wanted you to know that you're always missed and definitely always invited.

Let me know if there's even a small chance you can come-it would be the best birthday present ever! Either way, we'll make sure to video call you if you can't be here in person.

Take care and lots of love,

**[Your Name]**
