

Dear Grandma and Grandpa,

I hope this letter finds you both in good health and spirits. I am writing to share some wonderful news about my annual exams.

Thanks to your constant love, encouragement, and blessings, I have managed to improve my marks this year! I studied much harder and paid more attention in class. I was especially motivated by your advice to never give up and keep working consistently. My marks in Mathematics and Science went up significantly, and I even got the highest score in English in my class!

Your support means the world to me. Whenever I felt tired or discouraged, I remembered your words and kept going. I am very happy with my progress and want to do even better next year. My teachers also appreciated my hard work, and I promised them I would keep it up.

Thank you for always believing in me. I hope to visit you soon so I can tell you all about my school and show you my report card. Please take care and give my love to everyone at home.

With lots of love,

Your loving grandchild,
