

Hey [Friend's Name],

I just heard the amazing news and I couldn't be happier for you-congratulations on your engagement! 🥂💍 This is such an exciting time in your life and I can't tell you how thrilled I am to see you take this wonderful step forward.

It feels like just yesterday we were discussing our dream partners and joking around about our future weddings. And now, I get to see you and [Fiancé/Fiancée's Name] making it all a reality. I remember the first time you told me about them-how your face lit up and you couldn't stop smiling. It was obvious from the start that they were someone special!

I truly wish you both a lifetime filled with laughter, understanding, and endless love. You two are absolutely perfect together and I have no doubt you'll create a beautiful life side by side. If you need any help with wedding planning (or just someone to taste test cake), count me in!

Congratulations again, my dear friend. Here's to unforgettable memories and a future that's even brighter than you've ever imagined!

With all my love,
[Your Name]
