Subject: Formal Complaint Regarding Water Seepage in Apartment Walls

Dear [Landlord's Name],

I am writing to formally bring to your attention a serious issue of **water seepage** through the walls of my apartment at [Your Apartment Number/Address]. This problem has persisted for some time and is now causing noticeable damage to both the walls and the overall living environment.

The continuous water penetration has resulted in visible stains, peeling paint, and in some areas, damp patches and mold growth. This situation not only threatens the structural integrity of the property but also poses potential health risks due to the increased humidity and mold. I am concerned that, if left unaddressed, the condition will worsen and lead to further complications and more extensive repairs.

I kindly request that you arrange for an inspection of the premises at the earliest possible opportunity and take all necessary steps to repair the affected areas. Prompt action will help prevent further deterioration and ensure that the apartment remains a safe and habitable environment.

Please let me know when the inspection can be scheduled and how you plan to address this issue. I appreciate your attention to this matter and look forward to a swift resolution.

Thank you for your prompt attention.

Sincerely,
[Your Name]
