

Informal Letter Sample for a Friend Who Is Moving Away

Dear [Friend's Name],

I can hardly believe the time has come for you to pack your bags and start a brand-new adventure! It feels like just yesterday we were laughing about the silliest things and making plans for the weekend. Now, I'm writing to you with mixed emotions-happy for your new journey but sad that you are moving away.

I want you to know how much your friendship has meant to me. From our endless talks to the memories we've created, every moment with you has been priceless. Things won't be the same without you nearby, but I'm so proud of you for taking this big step. You've always been brave and curious, and I'm sure you'll make amazing friends and memories in your new home.

Please remember that distance doesn't change how much you mean to me. Let's promise to stay in touch, share photos, and catch up whenever we can. I hope you settle in smoothly and find happiness in every part of your new adventure. I'm always just a call or message away!

Wishing you all the best on this exciting journey. I'll miss you so much, but I know this is just the start of another amazing story for you.

Take care and keep shining!

With lots of love,
[Your Name]
