

## Informal Birthday Wish Letter Template to Elder Sister

Dear *[Sister's Name/Nickname]*,

Happy Birthday! ☺

I can't believe another year has gone by. You always manage to make every day brighter, and today is no exception! I hope your birthday is as wonderful as you are.

Thank you for always being my partner in crime, my best friend, and my biggest supporter. From our silly childhood adventures to the late-night talks we still have, every memory with you is something I treasure so much.

Honestly, I'm so lucky to have you as an elder sister. Your advice, your endless patience with my craziness, and the way you always know how to cheer me up mean the world to me. Remember that time we *[insert a favorite memory or inside joke]*? I still crack up every time I think about it!

Keep shining and inspiring everyone around you with your kindness and strength. I know the year ahead holds amazing things for you, and I can't wait to see all the incredible things you accomplish.

Wishing you all the love, laughter, and happiness today and always. Enjoy your special day to the fullest-you deserve it!

**With lots of love,**
