

Hey [Classmate's Name],

I just wanted to say a huge **congratulations** on winning the science fair! I was honestly so impressed by your project on [mention the project topic, e.g., "renewable energy solutions"]. The way you explained your ideas and the creativity behind your experiment really stood out. It's clear how much effort and dedication you put into every part of it, and you totally deserved to win!

Your hard work has really paid off and you've inspired everyone in the class, including me. I learned a lot just by watching your presentation and seeing how passionate you are about science.

I can't wait to see what you come up with next! Keep up the awesome work-and let's celebrate soon!

Congrats again!

Your friend,
