

Dear friend,

I hope you're enjoying your summer break! I wanted to suggest that you consider spending some of your free time reading books during this vacation. Reading not only enhances your knowledge but also improves your imagination and vocabulary. Whether it's fiction, adventure, or mystery, books can provide a great escape and keep your mind active. Plus, it's a relaxing way to spend the warm days and can be more rewarding than just scrolling through your phone. Give it a try, and I'm sure you'll find some great stories to enjoy!

Take care and happy reading!

Your friend,
