

Dear Aunt [Aunt's Name],

I hope this letter finds you in the best of health and spirits! I'm writing with so much excitement because we are planning a little birthday celebration, and it just wouldn't be the same without you.

The party will be on **[Date]** at **[Time]** here at our place, **[Venue/Address]**. We are keeping things light and fun, with good food, music, and lots of laughter. Of course, your company means the world to us, and it would truly make the day so much more special for me.

I have so many little stories to share with you, and I can't wait to celebrate together. Please do come and make the day as joyful as it can be with your warmth and happiness!

Looking forward to seeing you soon and making more precious memories together.

With all my love,  
[Your Name]
