[University Name]  
[University Address]

Subject: Acceptance of PhD Research Proposal

Dear [Candidate's Name],

We are pleased to inform you that your PhD research proposal titled "[Title of Proposal]" has been reviewed and **formally accepted** by the [Department/Committee Name] at [University Name].

## **Brief Summary of the Accepted Proposal:**

[Insert a concise summary of the research proposal, outlining the objectives and significance.]

The committee commends the clarity and potential impact of your proposed research. Upon review, the following recommendations/conditions have been outlined (if any):

- [Condition/Recommendation 1 (if any)]
- [Condition/Recommendation 2 (if any)]
- [Condition/Recommendation 3 (if any)]

Please ensure that the above points are addressed as you proceed to the next stage. You are now officially authorized to continue with your research in accordance with the guidelines and timelines set by the university.

We congratulate you on this achievement and look forward to your continued progress.

Sincerely,

[Supervisor/Chairperson's Name]  
[Designation]  
[Department]
