

Dear [Relative's Name],

I hope this letter finds you in good health and happiness. As the vibrant and joyous festival of Onam approaches, I couldn't help but think of you and the wonderful memories we've shared during this special time of the year.

Onam is such a beautiful celebration of our culture and heritage. The thought of **Pookkalam** (floral decorations), the exhilarating boat races, and the delicious Onam Sadya brings back fond memories. I truly miss the times we've gathered together, laughing and enjoying the grand feast, dressed in our best traditional attire.

This festival reminds me how important it is to keep our families close and cherish the moments we have together. I hope the spirit of Onam fills your home with joy, prosperity, and harmony. May King Mahabali bless you and your loved ones with health and happiness.

Sending you and your family warm wishes for a bright and prosperous Onam! Let's promise to celebrate together next year and strengthen the bonds that keep us united.

With love and festive cheer,  
[Your Name]
