Subject: Complaint regarding skipped garbage collection days

Respected Sir/Madam,

I am writing this letter as a formal **complaint to the municipal corporation** regarding the recent lapses in garbage collection services in our locality ([mention your area/sector/locality name]). Despite a fixed schedule for garbage pickup, the collection has been skipped on several occasions in the past few weeks.

As a consequence, garbage has started accumulating on roadsides and at collection points, creating unsanitary conditions and raising serious health concerns for the residents. The unattended waste has led to foul odors, increased pest and insect activity, and a risk of disease spread in our community.

We respectfully request the municipal corporation to take **immediate action** to resume regular waste management services and ensure timely garbage collection. It is crucial to maintain cleanliness and hygiene standards for the well-being and safety of all residents.

We look forward to your prompt response and resolution of this issue.

Thank you for your attention to this matter.

Sincerely,
