

Dear [Pen Pal's Name],

Hey! I hope you're doing well and having a great week. It's been a while since I last wrote, so I wanted to catch up and tell you a little more about myself.

One of my favorite hobbies is reading, especially mystery novels. I love getting lost in a good book and trying to figure out the ending before I get there. There's just something exciting about piecing together clues and imagining all the twists and turns. I usually spend an hour or two reading every evening after dinner. It helps me relax and forget about any stress from the day.

Besides reading, I also enjoy cycling. There are lots of beautiful trails near my house, and I like to ride with my friends on weekends. Cycling makes me feel free and energetic, and it's a great way to explore new places while staying active.

How about you? What are your favorite hobbies? I'd love to hear more about what you like to do in your free time.

Looking forward to your reply!

Take care,
