

Hey [Cousin's Name],

I hope you're doing great! I can barely contain my excitement because the Christmas holidays are just around the corner, and we've got some amazing plans lined up for this year's trip!

This time, we're heading to **[Destination]**. I heard it looks like a winter wonderland during December—think snowy streets, twinkling lights everywhere, and the perfect weather for hot chocolate and scarves. The forecast says we might even get to make a snowman or two!

We've got our days packed with all sorts of festive activities—sightseeing, ice skating, and even a Christmas market visit where I plan to try every sweet treat in sight. There's also a special light show on Christmas Eve, which sounds magical.

But what I'm most looking forward to is all of us coming together for our family traditions—the gift exchanges, decorating the tree, and, of course, the Christmas feast (Grandma's roast is legendary, as you know!). It just isn't the same without you there, laughing with us and making memories.

It wouldn't be perfect unless you joined us! Please say you'll come—we'll save an extra mug of cocoa just for you. Let me know soon, so we can make sure everything's set for your arrival and make this holiday the best one yet.

Missing you and hoping we'll get to celebrate together!

Love,
[Your Name]
