

Hey [Friend's Name],

I hope you're doing great! I just got back from my summer vacation at the most beautiful beach resort, and I had to tell you all about it.

The place was like a dream-imagine golden sands stretching for miles and crystal clear blue sea that sparkled under the sun. Every morning, I'd wake up to the sound of waves and enjoy a lazy breakfast with a stunning view of the ocean. Sunbathing was the best way to relax-I even managed to finish that book you recommended!

We tried all sorts of water sports too. I went jet-skiing for the first time, which was such an adrenaline rush, and we also went snorkeling and spotted some colorful fish and adorable sea turtles. In the evenings, we'd walk along the shore collecting shells and watching the sunset. It felt so peaceful and magical.

The food was amazing-fresh seafood everywhere! You know how much I love shrimp, and I think I discovered my new favorite dish. There were these cozy little beach shacks where we'd have dinner, and the atmosphere was so chill and laid-back.

I had such a great time with my family (and made a couple of new friends, too!). We played beach volleyball, built sandcastles, and even had a bonfire one night. Honestly, I wish you had been there-it would have been even more fun!

If you ever get a chance, you have to visit this resort. Don't miss the sunrise from the cliffside cafÃ© or the local market nearby-they're both must-sees! I'm already dreaming about going back next year. Let's plan a trip together sometime!

Can't wait to catch up and share photos!

Take care,
