Dear [Recipient Name],

I am writing to express my strong interest in the Computer Science Internship position advertised at [Company Name]. As a current computer science student at [Your University/College], I am eager to apply my academic knowledge and my enthusiasm for technology to contribute to your team. While I do not have direct professional experience in the field, I am confident that my determination to learn, collaborative skills, and proactive approach will allow me to make a meaningful impact at [Company Name].

Throughout my studies, I have acquired a solid foundation in programming languages such as Python and Java, as well as exposure to data structures, algorithms, and software development principles. I have completed academic projects, including developing a basic task management app and participating in a group project to create a simple website for our campus club. These experiences have honed my problem-solving and teamwork abilities-skills I am eager to bring to your organization.

Additionally, my involvement with the [Relevant Student Club or Activity] has further strengthened my communication and leadership skills. I am highly motivated, quick to adapt to new challenges, and passionate about building a career in technology. I am excited about the opportunity to learn from and contribute to your team at [Company Name], and I am committed to growing as a software professional.

Thank you for considering my application. I would welcome the chance to discuss my qualifications further and demonstrate my enthusiasm and willingness to learn. I look forward to the possibility of contributing to your team.

Sincerely,
[Your Name]
