Dear [Hiring Manager Name],

I am writing to express my interest in the Software Engineer position at [Company Name] as advertised on [Job Board/Company Website]. With over [X] years of experience in software development and a strong background in [technologies relevant to the job], I am confident that my skills and passion for problem-solving would make me a valuable addition to your engineering team.

In my previous role at [Previous Company], I contributed to the successful design and implementation of scalable applications, collaborating with cross-functional teams to deliver high-quality products. My expertise includes [list relevant skills, such as Java, Python, C#, cloud computing, or front-end frameworks], and I have a proven track record of optimizing code for performance and reliability.

I am particularly drawn to [Company Name]'s commitment to [something specific about the company, its mission, product, or culture] and am excited about the opportunity to contribute to your innovative projects.

In terms of compensation, based on my research and the requirements of the position, I am seeking a salary in the range of **\$100,000 to \$120,000 annually**, which I believe reflects my qualifications and the value I can bring to your organization. I am open to discussing this further to ensure it aligns with your budget and expectations.

Thank you for considering my application. I am looking forward to the possibility of discussing how my technical skills and experiences align with the needs of your team. Please feel free to contact me at [Your Phone Number] or [Your Email Address] to arrange a conversation.

Sincerely,

[Your Name]
