Dear [Hiring Manager's Name],

I am writing to express my interest in the Civil Engineer position at [Company Name], as advertised on [where you found the job posting]. As a recent graduate of [Your University] with a Bachelor's degree in Civil Engineering, I am eager to apply my academic knowledge, technical skills, and passion for infrastructure development to contribute to your team.

Throughout my academic journey, I have developed a solid foundation in engineering principles, project management, and computer-aided design (AutoCAD, Civil 3D). My coursework allowed me to master fundamental concepts in structural analysis, geotechnical engineering, and transportation systems. I enhanced my practical experience through an internship at [Internship Company], where I was involved in assisting with site inspections, drafting construction plans, and supporting the project engineers in the delivery of projects on time and within budget.

I am proficient in utilizing engineering software, including AutoCAD, SAP2000, and Microsoft Project, which enables me to efficiently contribute to design and project coordination. Excellent communication and teamwork abilities have been demonstrated through my participation in group projects and student organizations, where I often assumed leadership roles to ensure successful collaboration.

I am excited about the opportunity to utilize my problem-solving and analytical skills at [Company Name], and I am confident in my ability to add value to your engineering team. My enthusiasm for contributing to innovative and sustainable projects aligns with your company's commitment to excellence in the construction and infrastructure sector.

I have attached my resume for your review. I look forward to the opportunity to discuss how my academic achievements and internship experience can benefit your organization. Thank you for considering my application.

Sincerely,

[Your Name]
