

Dear Mom,

Happy Birthday to the most wonderful mother in the world! I hope today is filled with laughter, love, and all the happiness you deserve. I feel so grateful every day for your endless support, warm hugs, and all the little things you do that show how much you care.

I still remember the way you used to bake my favorite cake every birthday and how you always made sure our home felt so full of joy and comfort. Those memories are some of my favorites, and I hope your day feels just as special. I wish I could be there with you right now to celebrate, but know that I am thinking about you and sending lots of love your way.

Thank you for always believing in me, for your wise advice, and for teaching me the true meaning of kindness and strength. I am proud to be your child, and I hope this year brings you good health, laughter, and all the beautiful moments you truly deserve.

Enjoy your special day, Mom! I love you more than words can say.

With all my love,
