

Hey [Classmate's Name],

Hope you're doing well! I wanted to check in about our group project and ask if you could send over the photos you took during our last session. I think they'll be great for our presentation slides!

If you have them ready, could you please share them with me (maybe upload them to Google Drive or just send them through email/WhatsApp)? If any of the photos aren't clear or if you have more from other angles, feel free to include those too. The clearer, the better!

It'd be awesome if I could get them by [insert deadline here] so I have enough time to organize everything before our next meeting. Let me know if you need any help with uploading or if there's any problem.

Thanks a lot! Looking forward to seeing the photos. ðŸ˜Š

Cheers,
[Your Name]
