

Hey [Sibling's Name],

I hope you're doing great! I've got some really exciting news to share, and I couldn't wait any longer to tell you. [Partner's Name] and I are engaged!

It still feels a little surreal, but I'm over the moon and wanted you to be one of the first to know. [Partner's Name] popped the question [briefly mention how/when it happened, if you like], and of course, I said yes! We're both so incredibly happy, and I can't wait for you to be a part of everything as we start planning this next chapter.

I know things will get a little busy as we figure everything out, but having you by my side means the world to me. Let's catch up soon-I want to tell you all the details and hear what's been going on in your life, too.

Love you lots, and get ready to celebrate!
