

Dear Emma,

Guess what? We have some super exciting news to share with you â€“ we've welcomed a new furry member into our family!

His name is Max, and he's the most adorable golden retriever puppy you can imagine. He has fluffy golden fur, big brown eyes, and the cutest little wagging tail! Max is already making us laugh with his silly antics â€“ last night, he tried to chase his own tail and ended up in a funny little tumble on the rug.

We've wanted a pet for a while, and when we met Max at the shelter, it felt like he was meant to be with us. He loves cuddles, playing fetch in the yard, and he even tries to â€œhelpâ€ when we're cooking by sitting near the kitchen (hoping for a snack, of course!).

We can't wait for you to come visit and meet Max! I know you'll be best buddies in no time. Maybe next weekend you can come over and help us teach him some new tricks?

Hope to see you soon!

Lots of love,
Aunt Laura
