

# Official Invitation to the International Symposium on Global Innovations 2024

*Theme: Bridging Borders through Innovation & Knowledge*

**Date:** September 18-20, 2024

**Venue:** International Convention Center, Geneva, Switzerland

**Website:** [www.globalinnovations2024.org](http://www.globalinnovations2024.org)

Dear Esteemed Guest,

We are honored to invite you to attend the International Symposium on Global Innovations 2024, a premier gathering of global thought leaders, industry experts, scholars, and practitioners. Join us as we explore innovative pathways and foster cross-border collaborations to address the world's most pressing challenges.

## Featured Keynote Speakers & Panelists:

**Dr. Sophia Martinez** â€“ Chief Technology Officer, TechFuture Labs, USA

*Keynote: AI-Driven Solutions to Global Sustainability*

**Prof. Amir Qureshi** â€“ Chair of Environmental Studies, University of Cambridge, UK

*Panel: Climate Innovation Policies for the Next Decade*

**Ms. Yuna Kim** â€“ Founder, GreenWave Initiative, South Korea

*Lecture: Empowering Communities through Grassroots Innovation*

**Dr. Jean-Luc Pelletier** â€“ Senior Researcher, CERN, Switzerland

*Scientific Trends Panel: Quantum Technologies: The World Ahead*

**Prof. Maria Rossi** â€“ Director, Global Health Institute, Italy

*Keynote: Health Innovation and Cross-Border Collaboration*

The conference will also feature in-depth workshops, interactive poster sessions, and networking forums designed to encourage robust knowledge exchange across disciplines and countries.

We kindly request the honor of your presence at this distinguished global event. To confirm your attendance and register, please visit our official website or contact the organizing committee.

We look forward to your participation in shaping the future of global innovations.

Sincerely,

**International Symposium Organizing Committee**
