

Subject: Thank You for Your Partnership Proposal

Dear [Recipient Name],

Thank you very much for reaching out and sharing information about your partnership proposal. I truly appreciate the time and effort you have invested in outlining the opportunities for collaboration between our organizations.

After careful consideration, we have decided not to pursue a partnership at this time. This decision was based on our current strategic priorities and commitments, which limit our ability to engage in new projects right now.

That said, we recognize the value and potential of working together and would welcome the opportunity to revisit a partnership in the future as our focus and capacity evolve. Please feel free to stay in touch and keep us informed of any new developments on your end.

Thank you once again for considering us as a potential partner. We appreciate your understanding, and I hope we can explore ways to collaborate down the road.

Best regards,
